

Mississippi

Dixie Chicks

Every step of the way
we walk the line
your days are numbered
so are mine
Time is piling up
we struggle and we scrape
all boxed in
nowhere to escape
The city's just a jungle
more games to play
i'm trapped in the heart of it
trying to get away
I was raised in the country
been working in the town
i been in trouble since i
set my suitcase down
I ain't got nothing for you
i had nothing before
don't even have anything
for myself anymore
Sky's full of fire
and the rain is pouring down
there's nothing you can sell me
so i'll see you around
All my powers of expression
and thoughts so sublime
could never do you justice
reason or rhyme
there's only one thing that i did wrong
i stayed in mississippi a day too long
The devil's in the alley
the mule kickin' in the stall
say anything you wanna
i've heard it all
i was thinking about the things that she said
i was dreaming i was sleeping in you bed
Walking through the leaves
falling from the trees
feel like a stranger nobody sees
so many things we never will undo
i know you're sorry, well i'm sorry too
Some people will offer you their hand and some won't

last night i knew you, tonight i don't
i need something strong to distract my mind
i'm gonna look at you till my eyes go blind
Well i got here, following the southern star
i crossed that river just to be where you are
there's only one thing that i did wrong
i stayed in mississippi a day too long
Well my ship's been split to splinters
i's sinking fast
t i'm drowning in the poison
got no future
got no past
but my heart is not weary, it's light and it's free
i've got nothing but affection for those who've sailed with me
Everybody's moving if they ain't already there
everybody's got to move somewhere
well stick with me baby anyhow
things should start to get interesting right about now
My clothes are wet
tight on my skin
not as tight as the corner that i painted myself in
i know that fortune is waiting to be kind
so give me your hand and say you'll be mine
The emptiness is endless
cold as clay
you can always come back
but you can't come back all the way
Well there's only one thing that i did wrong
i stayed in mississippi a day too long
yeah the only thing that i did wrong
was stayed in mississippi a day too long
the only thing that i did wrong
was stayed in mississippi a day too long
