

# For a Boy

RaeLynn

For a boy your heart is pretty see through  
For a boy you sure let your guard down  
When you know you want it  
Wont you say it and baby right now you're looking at me  
The way you say my name  
I know you ain't playing games For a boy you're good at sayin sorry  
For a boy I can sure feel your heart  
It's like a freight train coming at me  
I'm a cross the booth on the edge of my seat  
You don't make me wait  
You say what you came to say  
Go on get it out boy say  
I'm the only one that makes you this crazy  
Come on and tell me how boy  
How I'm the only thing you thinking about lately  
But what you don' know, what you don't know  
Is what a girl like me would do for a boy like you For a girl I'm pretty cool, calm, and collected  
For a girl who was getting more than she expected  
From an ex love but here I am  
You're putting your heart in the palm of my hand  
I'm trying to act really cool  
But inside I'm a lovesick fool Go on get it out boy say  
I'm the only one that makes you this crazy  
Come on and tell me how boy  
How I'm the only thing you thinking about lately  
But what you don' know, what you don't know  
Is what a girl like me would do for a boy like you  
For a boy like you  
Go on get it out boy say  
I'm the only one that makes you this crazy  
Come on and tell me how boy  
How I'm the only thing you thinking about lately  
But what you don't know, what you don't know  
Is what a girl like me would do for a boy like  
Go on say it all boy  
Go on a put every last feeling out on the table  
Come on it's last call boy  
Before the night escapes this late  
But what you don' know, what you don't know  
Is what a girl like me would do for a boy like you  
For a boy like you
