

# Maps

## Maroon 5

I miss the taste of a sweeter life  
I miss the conversation  
I'm searching for a song tonight  
I'm changing all of the stations I like to think that we had it all  
We drew a map to a better place  
But on that road I took a fall  
Oh, baby, why did you run away? I was there for you  
In your darkest times  
I was there for you  
In your darkest nights  
But I wonder where were you  
When I was at my worst  
Down on my knees  
And you said you had my back  
So I wonder where were you  
When all the roads you took came back to me  
So I'm following the map that leads to you The map that leads to you Ain't nothing I can do  
The map that leads to you  
Following, following, following to you  
The map that leads to you  
Ain't nothing I can do  
The map that leads to you  
Following, following, following  
I hear your voice in my sleep at night  
Hard to resist temptation  
Cause something strange has come over me  
And now I can't get over you  
No, I just can't get over you I was there for you  
In your darkest times  
I was there for you  
In your darkest nights But I wonder where were you  
When I was at my worst  
Down on my knees  
And you said you had my back  
So I wonder where were you  
When all the roads you took came back to me  
So I'm following the map that leads to you The map that leads to you  
Ain't nothing I can do  
The map that leads to you  
Following, following, following to you  
The map that leads to you  
Ain't nothing I can do

The map that leads to you Oh, I was there for you  
Oh, in your darkest time  
Oh, I was there for you  
Oh, in your darkest night Oh, I was there for you  
Oh, in your darkest time  
Oh, I was there for you  
Oh, in your darkest night But I wonder where were you  
When I was at my worst  
Down on my knees  
And you said you had my back  
So I wonder where were you  
When all the roads you took came back to me  
So I'm following the map that leads to you The map that leads to you  
Ain't nothing I can do  
The map that leads to you  
Following, following, following to you  
The map that leads to you  
Ain't nothing I can do  
The map that leads to you  
Following, following, following
