

# The Big Bang

## Rock Mafia

Oh Babe  
I don't wanna lie  
I'm gonna take what you're giving  
'Cause I know you're willing  
To take me all the way  
You got me right here Combustible, and I can't wait to finally explode  
The big big bang, the reason I'm alive  
When all the stars collide, in this universe inside  
The big big bang  
The big big bang The big big bang  
Some people like to talk, but I'm into doing  
What I feel like doing, when I'm inspired  
So, if we take a walk down, the beach tonight  
I bet we that could light up the sky  
The big big bang, the reason I'm alive  
When all the stars collide, in this universe inside  
The big big bang  
The big big bang The big big bang  
Hmm Give Me To Breath  
Take it from me, I don't wanna be mummified  
Sometimes I feel so isolated  
I wanna die  
And now take it from me, if you got it  
Every time  
So baby bring your body here, next to mine  
Next to mine  
I don't wanna dream  
I just wanna live  
So baby, lets not miss this thing  
The big big bang, the reason I'm alive  
When all the stars collide, in this universe inside  
The big big bang  
The big big bang  
The big big bang  
Hit me, big big big bang.  
Oh, baby  
Oh, baby  
Oh, baby
