## The Wolf

## **PHILDEL**

And you once said I wish you dead you sinner
I'll never be more than a wolf at your door for dinner
And if I see you 'round like a ghost in my town you liar
I'll leave with your head oh I'll leave you for dead, sire.And you once said I wish you dead you sinner

I'll never be more than a wolf at your door for dinner
And if I see you 'round like a ghost in my town, you liar
I'll leave with your head oh I'll leave you for dead, sire. You were sharp as a knife to get me
You were a wolf in the night to fetch me, back
The wishes I've made are too vicious to tell
Everyone knows I am going to hell

And if it's true, I'll go there with youAnd you once said I wish you dead you sinner
I'll never be more than a wolf at your door for dinner
And if I see you 'round like a ghost in my town, you liar
leave with your head oh I'll leave you for dead, sire.I know, my way through the night

I'll leave with your head oh I'll leave you for dead, sire.I know, my way through the night to your door

You know, the blood that I'm owed is all yours

The wishes I've made are too vicious to tell

The devil already he knows me so wellAnd if it's true, I'll go there with you

And you once said I wish you dead you sinner

I'll never be more than a wolf at your door for dinner

And if I see you 'round like a ghost in my town, you liar

I'll leave with your head oh I'll leave you for dead, sire.

And you once said I wish you dead you sinner

I'll never be more than a wolf at your door for dinner

And if I see you 'round like a ghost in my town, you liar

I'll leave with your head oh I'll leave you for dead, sire.
