

# Still Don't Know My Name

## Labrinth

I took your heart  
I did things to you  
Only lovers would do in the dark  
Made you a God  
Pre-spokes and pre-shows  
Will tell me what did wrong  
But hey  
You made a nigga flip  
What do I say  
To make me exist?  
Ooh, stranger  
Still don't know my name  
You still don't know my name  
And I would die or stay  
For you right now  
But you still don't know my name  
Yeah  
Wish you, wish you come over  
Missed you, kissed you and make-believe  
I'm dreamin' of all the possibilities  
I'm kissing all over your body, my Nefertiti  
And every time I think the plan is aligning  
You still so close yet so far  
Still don't know my name  
You still don't know my name  
And I would die or stay  
For you right now  
But you still don't know my name
