The Only

Static-X

I'm winning, you're losing I'm falling, your agony Lower than Lower before Your forgotten memoryI'm heaven, you're hell I'm killing, your fantasy More and more, you follow Your divorced reality You're trying to take me You're trying to make me This is the only Give me the only thing Tired of trying I'm tired of lying The only thing I understand is what I feel. Identity, fantasy, heresy, Killing me Lower than lower, before This thing to feed Hypocrite, lunatic, fanatic, hereticMore and more you follow Your divorced reality. You're trying to take me You're trying to make meThis is the only Give me the only thing Tired of trying I'm tired of lying The only thing I understand is what I feel. Hypocrite, lunatic, fanatic, heretic You're trying to take me You're trying to make me

Tired of tryingI'm tired of lying
The only thing I understand is what I feel.
You're trying to take me
You're trying to make me
This is the only
Give me the only thing
Tired of trying
I'm tired of lying
The only thing I understand is what I feel.

This is the only Give me the only thing
