

# Runaground

James

For every woman you will leave an open door  
You find yourself thinking why can't I have more?  
You say there's nothing you can do  
You tried your best but you were only being you  
Oh no  
She's gone  
Back wherever she came from  
You watched  
Her go  
Your reaction's far too slowRunaground  
Runaground  
Runaground  
You don't know what you're got until you're lost it all  
Might I suggest you find a softer place to fall  
You take for granted all the riches of your world  
You may have oysters but you'll never find a pearlOh no  
She's gone  
Back wherever she came from  
You watched  
Her go  
Your reaction's far too slowOh no  
She's gone  
Back wherever she came from  
You watched  
Her go  
Your reaction's far too slow  
Runaground  
Runaground  
Runaground  
Runaground  
Runaground  
Runaground  
RunagroundShe's moving on  
The love has gone  
You left the door wide open  
She's moving on  
The just has gone  
This anger's felt not spoken  
It got too old  
Was too controlled  
Could have gone on foreverThe love has gone  
She's moving on  
When she said now you neverRunaground

Runaground  
Runaground  
Runaground  
Runaground  
Runaground  
Runaground  
Runaground  
Runaground  
Runaground  
Runaground  
Runaground  
RunagroundOh no
