

Hard to Forget

Sam Hunt

There stands the glass
That will ease all my pain
That will settle my brain It's my first one today There stands the glass
That-that will ease all my pain
That-that will settle my brain
It-it's my first one today Hey
I saw your sister at work
I saw your mama at church
I'm pretty sure I saw your car at the mall
I see your face in the clouds
I smell your perfume in crowds
I swear your number's on my phone, wants to call
It's kinda funny how I can't seem
To get away from you
It's almost like you don't want me to You've got a cold heart and the cold hard truth
I got a bottle of whiskey, but I got no proof
That you showed up tonight
In that dress just to mess with my head So much for so long
Out of sight, out of mind
Girl, you're lookin' so good
It's drivin' me out of mine
Oh, you're breakin' my heart
Baby, you're playin' hard to forget Told me to leave all your things
Out on the porch, on the swing
You'll come and grab 'em by the end of the week
Well, it's just some jeans and a shirt
But it's a whole lot of hurt
I think I know why you've been dragging your feet
Ain't it funny how I can't seem
To get away from you?
It's almost like you don't want me to You've got a cold heart and the cold hard truth
I got a bottle of whiskey, but I got no proof
That you showed up tonight
In that dress just to mess with my head So much for so long
Out of sight, out of mind
Girl, you're lookin' so good
It's drivin' me out of mine
Oh, you're breakin' my heart
Baby, you're playin' hard to forget First stands the glass
That-that will ease all my pain
That-that will settle my brain
It-it's my first one today You've got a cold heart and the cold hard truth

I got a bottle of whiskey, but I got no proof
That you showed up tonight
In that dress just to mess with my head So much for so long
Out of sight, out of mind
Girl, you're lookin' so good
It's drivin' me out of mine
Oh, you're breakin' my heart
Baby, you're playin' hard to forget Oh honey, I'm fallin' apart
And you're playin' hard to forget
