Viking

Los Lobos

The last time I seen Viking He was about this tall With a tattoo Where a smile should've been Of his sweetheart's name Of his sweetheart's nameDo you remember Viking? He was about you and me With a big scar Where his heart should've been Inside his chest Inside his chestDo you remember Viking? Do you remember Viking? The last time I saw Viking He was about so tall With a tattoo Where his heart should've been He was about everything He was about everything Do you remember Viking? Do you remember Viking? I remember Viking Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
