

Isn't This a Lovely Day?

Billie Holiday

The weather is frightening
The thunder and lightning
Seem to be having their way
But as far as I'm concerned
It's a lovely day
The turn in the weather
Will keep us together
So I can honestly say
That as far as I'm concerned
It's a lovely day and every thing's okay
Yes, isn't this a lovely day
To be caught in the rain?
You were going on your way
Now you've got to remain
Yes, just as you were going
Leaving me all at sea
The clouds broke, they broke
And, oh, what a break for me
Then now I can see the sun up high
Though we're caught in the storm
I can see where you and I
Could be cozy and warm
Let the rain pitter patter
But it really doesn't matter
If the skies are gray
Baby, long as I can be with you
It's a lovely day
Isn't this a lovely day
To be caught in the rain?
You were going on your way
Now you've got to remain
Just as you were going
Leaving me all at sea
The clouds broke, they broke
And, oh, what a break for me
I can see the sun up high
Though we're caught in the storm
I can see where you and I
Could be cozy and warm
Let the rain pitter patter
But it really doesn't matter
If the skies are gray
Long as I can be with you
It's a lovely day
I can see the sun up high
Though we're caught in the storm
(And we're caught in the storm)
I can see where you and I
Could be cozy and warm
(Cozy and warm)
Let the rain pitter patter

But it really doesn't matter
If the skies are gray
Long as I can be with you
It's a lovely day Long as I can be with you
It's a lovely day
