Isn't This a Lovely Day?

Billie Holiday

The weather is frightening

The thunder and lightning

Seem to be having their way

But as far as I'm concerned

It's a lovely dayThe turn in the weather

Will keep us together

So I can honestly say

That as far as I'm concerned

It's a lovely day and every thing's okayYes, isn't this a lovely day

To be caught in the rain?

You were going on your way

Now you've got to remain

Yes, just as you were going

Leaving me all at sea

The clouds broke, they broke

And, oh, what a break for meThen now I can see the sun up high

Though we're caught in the storm

I can see where you and I

Could be cozy and warmLet the rain pitter patter

But it really doesn't matter

If the skies are gray

Baby, long as I can be with you

It's a lovely dayIsn't this a lovely day

To be caught in the rain?

You were going on your way

Now you've got to remain

Just as you were going

Leaving me all at sea

The clouds broke, they broke

And, oh, what a break for meI can see the sun up high

Though we're caught in the storm

I can see where you and I

Could be cozy and warmLet the rain pitter patter

But it really doesn't matter

If the skies are gray

Long as I can be with you

It's a lovely dayI can see the sun up high

Though we're caught in the storm

(And we're caught in the storm)

I can see where you and I

Could be cozy and warm

(Cozy and warm)Let the rain pitter patter

But it really doesn't matter
If the skies are gray
Long as I can be with you
It's a lovely dayLong as I can be with you
It's a lovely day
