Scream

Avenged Sevenfold

Caught up in this madness, too blind to see Woke animal feelings in me Took over my sense and I lost control I'll taste your blood tonightYou know I make you wanna scream You know I make you wanna run from me, baby But no, it's too late, you've wasted all your timeRelax while you're closing your eyes to me So warm as I'm setting you free With your arms by your side there's no struggling Pleasure's all mine this timeOoh, you know I make you wanna scream You know I make you wanna run from me, baby But no, it's too late, you've wasted all your time Cherishing those feelings, pleasuring Cover me, unwanted clemency Scream 'til there's silence Scream while there's life left vanishingScream from the pleasure Unmask your desire, perishing We've all had a time where we've lost control We've all had our time to growI'm hoping I'm wrong but I know I'm right I'll hunt again one night Ooh, you know I make you wanna scream You know I make you wanna run from me, babyBut no, it's too late, you've wasted all your time Cherishing those feelings, pleasuring Cover me, unwanted clemency Scream 'til there's silence Scream while there's life left vanishing Scream from the pleasure Unmask your desire, perishingSome live repressing their instinctive feelings Protest the way we're built Don't point the blame on me Scream! Scream! Scream! The way you would if I ravaged your body Scream! Scream! Scream! The way you would if I ravaged your mind Cherishing those feeling, pleasuring Cover me, unwanted clemency Scream 'til there's silence Scream while there's life left vanishing Scream from the pleasure Unmask your desire, perishing Song Discussions is protected by U.S. Patent 9401941.
