

# Another Sleepless Night

Anne Murray

The nights have been so lonely since you went away  
I could not get to sleep, try as I may  
But now you're back, and you're here to stay. Still it looks like another sleepless night  
Oh, but darlin', that's alright  
Just as long as you are holdin' me tight. Makin' love 'til the early morning light  
Only whets our appetite  
This will be another sleepless night.  
Hold me, while the moon shines in through the window  
Let your love flow  
Hold me, we can orchestrate love's scenario with the radio. And it looks like another sleepless  
night  
Oh, but darlin', that's alright  
Just as long as you are holdin' me tight. Hold me, while the moon shines in through the window  
Let your love flow  
Hold me, we can orchestrate love's scenario with the radio.  
And it looks like another sleepless night  
Oh, but darlin', that's alright  
Just as long as you are holdin' me tight. Makin' love 'til the early morning light  
Only whets our appetite...
