

# Beautiful Goodbye

## Maroon 5

I count the ways I let you down  
On my fingers and toes but I'm running out  
Clever words can't help me now  
I grip you tight but you're slipping out And I remember your eyes were so bright  
When I first I met you, so in love that night  
And now I'm kissing your tears goodnight  
And I can't take it, you're even perfect when you cry  
Beautiful goodbye, bye, bye  
It's dripping from your eyes  
Your beautiful goodbye, oh  
It's dripping from your eyes, oh yeah  
When did the rain become a storm  
When did the clouds begin to form  
Yeah we got knocked off course by a natural force And well, we'll be swimming when it's gone  
And I remember your eyes were so bright  
When I first met you, so in love that night  
And now I'm kissing your tears goodnight  
And I can't take it, you're even perfect when you cry  
Beautiful goodbye, bye, bye  
It's dripping from your eyes Your beautiful goodbye, oh  
It's dripping from your eyes, oh yeah  
All the pain you try to hide  
Shows through your mascara lines as they stream down from your eyes  
And let them go, let them fly  
Holding back, won't turn back time  
Believe me I've tried  
And your eyes were so bright  
I remember your eyes were so bright  
And I remember your eyes were so bright  
When I first met you, how in love were we that night  
And now I'm kissing your tears goodnight  
And I can't take it, you're even perfect when you cry  
Beautiful goodbye, bye, bye  
It's dripping from your eyes  
Your beautiful goodbye  
It's dripping from your eyes, yeah  
Beau... Ooooo-ooooh oh yeah
