Sun Is Shining

Axwell ? Ingrosso

A simple band of gold wrapped around my soul

Hard forgiving, hard forget

Faith is in our hands, castles made of sand

No more guessing, no regretsThen you came my way on a winter's day

Shouted loudly "Come out and play!"

Can't you tell? I got news for you

Sun is shining and so are you

And we're gonna be alright

Dry your tears and hold tight

Can't you tell? I got news for you

Sun is shining and so are you

And we're gonna be alright

Dry your tears and hold tight

Can't you tell? I got news for you

Sun is shining and so are youAnd we're gonna be alright

Dry your tears and hold tight

Can't you tell? I got news for you

Sun is shining and so are youDiamonds to behold, waiting to unfold

Bite the bullet, bite your tongue

Love beyond believe, raid the seven seas, come uneven, come undone

Then you came my way on a winter's day

Shouted loudly "Come out and play!"

Can't you tell? I got news for you

Sun is shining and so are you

And we gonna be alright

Dry your tears and hold tight

Can't you tell? I got news for you

Sun is shining and so are you

Sun is siming and so are you

Sun is shining and so are you

Sun is shining and so are you

Sun is shining and so are youCan't you tell? I got news for you

Sun is shining and so are you

And we gonna be alright

Dry your tears and hold tight

Can't you tell? I got news for you

Sun is shining and so are you

Sun is shining and so are you

Sun is shining and so are you
