

Castigo del Brujo

Brujeria

Oigan mi palabra, y salva tu alma
Sin ayuda espiritual ests condenado
Consuete santos, yerbas y lagartijas
Sin proteccin no aguantas castigosEl castigo del brujo te deja chingado
Pobre pendejo estas castigado
Ya castigado tu alma controlada
Traeme tu hijita pa darme mamada
El dolor que tienes, no te lo quito
Esclavo del brujo, que placer maldito
El castigo del brujo, come cerote! [English translate: Brujo's Punishment] Listen my word, and
save your soul
without spiritual help you are damned
Get saints, plants and lizards
Without protection you don't resist punishments
Brujo's punishment leaves you fucked
Poor Asshole you are punished
Now punished your soul controlled
Bring your little daughter to give me a blowjob
The pain you have, I won't stop it
Brujo's slave, what a damned pleasure
Brujo's punishment, eat bullshit!
