

# This Tornado Loves You

Neko Case

My love I am the speed of sound  
I left them motherless, fatherless  
Their souls dangling inside-out from their mouths  
But it's never enough  
I want you Carved your name across three counties  
Ground it in with bloody hides  
Their broken necks will lie in the ditch  
'till you "Stop it! Stop it! Stop it! Stop it! Stop this madness!"  
I want you I have waited with a glacier's patience  
Smashed every transformer with every trailer  
'till nothing was standing  
65 miles wide  
But still you are nowhere, still you are nowhere  
Nowhere in sight  
Come out to meet me, run out to meet me  
Come into the light Climb the boxcars to the engine  
Through the smoke and to the sky Your rails have always outrun mine so I  
Picked them up and crashed them down  
In a moment close to now  
'cause I miss, I miss,  
I miss, I miss,  
I miss, I miss,  
I miss, I miss  
How you'd sigh yourself to sleep  
When I'd rake the springtime across your sheets  
My love I am the speed of sound  
I left them motherless, fatherless  
Their souls dangling inside-out from their mouths  
But it's never enough My love, I'm an owl on the sill in the evening  
But morning finds you  
Still warm and breathing This tornado loves you  
This tornado loves you  
This tornado loves you  
This tornado loves you  
This tornado loves you  
What will make you believe me? This tornado loves you  
This tornado loves you  
This tornado loves you  
This tornado loves you  
This tornado loves you  
What will make you believe me?
