

Ooh, I don't know what it is
I don't know what it is but it just won't quit
Ooh, I don't know what it is
I don't, I don't, I don't know what it is
I don't know what it is
I don't know what it is but it just won't quit
There was a time when nothing ever really mattered
There was a time when there was nothing I didn't know
There was a time when I knew just what I was living for
There was a time and the time was so long ago
There was a time and the time was so long ago
And I never really sleep anymore
