

# My Way

## Aloe Blacc

I've been sad, I've been lost, I've been down and out and lonely  
I've been suffering at a job in a world that tries to own me  
But when I wake up every morning there's an image of a better place  
'Cause the harder that we grind then the sweeter is the glory  
People say I'm foolish  
People say I'm blinded by faith  
But if I run out of air  
If I crash I don't care  
I'm gonna do it my way  
I can make it through this  
You can throw the world in my face  
But the fear gives me life  
And I swear 'til I die  
I'm gonna do it my way  
Aye, gonna do it my way  
Aye, gonna do it my way  
So put me down and criticize me with your lies and with your parody  
In the darkness I don't hide, 'cause I got pride that gives me clarity  
I still wake up in the morning with a vision of a better life  
You see the option of defeat is just not written in my story  
People say I'm foolish  
People say I'm blinded by faith  
But if I run out of air  
If I crash I don't care  
I'm gonna do it my way  
I can make it through this  
You can throw the world in my face  
But the fear gives me life  
And I swear 'til I die  
I'm gonna do it my way  
Aye, gonna do it my way  
Aye, gonna do it my way  
Every time they build a wall around me  
I will tear it down and say  
I'ma live my dreams  
Gotta live my dreams  
Even when the floods rush round to drown me  
I just hold my breath and pray  
Let me live my dreams  
Every single one of my  
I ain't quitting none of my dreams  
People say I'm foolish  
People say I'm blinded by faith  
But if I run out of air  
If I crash I don't care  
I'm gonna do it my way  
I can make it through this  
You can throw the world in my face  
But the fear gives me life  
And I swear 'til I die  
I'm gonna do it my way

Let me fly through the air  
If I crash I don't care  
I'm gonna do it my way  
'Cause the fear gives me life  
And I swear, 'til I die  
I'm gonna do it my way
