Playing In the Band

Grateful Dead

Some folks trust to reason

Others trust to might

I don't trust to nothing

But I know it come out rightSay it once again now

Oh I hope you understand

When it's done and over

Lord, a man is just a manPlaying

Playing in the band

Daybreak

Daybreak on the landSome folks look for answers

Others look for fights

Some folks up in treetops

Just look to see the sights

I can tell your future

Look what's in your hand

But I can't stop for nothing

I'm just playing in the bandPlaying

Playing in the band

Daybreak

Daybreak on the landStanding on a tower

World at my command

You just keep a turning

While I'm playing in the bandIf a man among you

Got no sin upon his hand

Let him cast a stone at me

For playing in the band

Playing

Playing in the band

Daybreak

Daybreak on the land

Playing

Playing in the band

Daybreak Daybreak on the land
