

NAIVE

Gia Woods

All my exes said the same thing
Maybe they're lyin'
I'm the high they're always chasing
But they're never mine
Oh, baby, I don't need no saving
I'm okay with crazy
I don't mind that everything sucks and nothing is amazing
I want you, but, darling, don't be so naive
I love you, but let me do it recklessly
Sweet misery, less company
I'm kinda (ah), darling, don't be naive (no)
Don't be naive (no), don't be naive (no)
I'm kinda (ah), darling, don't be naive
Off my head like I don't care
Maybe it's cool
But sanity will always be there
When I get old
So, baby, I don't need no saving
I'm okay with crazy
I don't mind that everything sucks and nothing is amazing
I want you, but, darling, don't be so naive
I love you, but let me do it recklessly
Sweet misery, less company
I'm kinda (ah), darling, don't be naive (no)
Don't be naive (no), don't be naive (no)
I'm kinda (ah), darling, don't be naive
I want you, but, darling, don't be so naive
If I were you, no, I wouldn't wait for me, hey
Sweet misery, less company
I'm kinda (ah), darling, don't be naive (no)
Don't be naive (no), don't be naive (no)
I'm kinda (ah), darling, don't be naive
Sweet misery, less company
I'm kinda (ah), darling, don't be naive (no)
Don't be naive (no), don't be naive (no)
I'm kinda (ah), darling, don't be naive
