

# All I Want

## Toad the Wet Sprocket

Nothing's so loud  
As hearing when we lie  
The truth is not kind  
And you've said neither am I  
And the air outside so soft  
Is saying everything, everything  
All I want is to feel this way  
To be this close, to feel the same  
All I want is to feel this way  
The evening speaks, I feel it say  
Nothing's so cold  
As closing the heart when all we need  
Is to free the soul  
But we wouldn't be that brave I know  
And the air outside so soft  
Confessing everything, everything  
All I want is to feel this way  
To be this close, to feel the same  
All I want is to feel this way  
The evening speaks, I feel it say  
And it won't matter now  
Whatever happens will be  
Though the air speaks of all we'll never be  
It won't trouble me  
All I want is to feel this way  
To be this close, to feel the same  
All I want is to feel this way  
The evening speaks, I feel it say  
(All I want is to feel this way) it feels  
(To be this close, to feel the same) so close  
(All I want is to feel this way) let it take  
(The evening speaks, I feel it say) me in  
(All I want is to feel this way) let it hold  
(To be this close, to feel the same) me so  
(All I want is to feel this way) I can feel  
(The evening speaks, I feel it say) it say
