

# Don't Tell Me (What Love Can Do)

## Van Halen

It's Ok, i'll do what i want  
If i choose, i can take the fall  
There's a choice  
It's my destiny  
In my hands  
Yeah, it's up to me  
I can drive  
I can shoot a gun in the streets  
Score me some heroin  
I can jump  
Be the sacrifice  
Bear the cross just like Jesus Christ And i don't wanna hear  
What love can do  
No, I ain't gonna tell ya  
What's right for you  
Is it right to take the easy way  
Close your eyes  
Get on your knees an' pray  
Now you're saved by a higher voice  
Givin' up, givin' up, givin' up your choice  
If I'm wrong, then i'll pay for it  
If I'm right, yeah you're gonna hear about it  
But i've tried, yeah, i've tried for it  
I tried, i tried, 'til I'm satisfied And i...  
I'm tired of hearing what love can do  
And i...  
Ain't gonna tell you what's right for you  
I've seen the damage done  
Down with the shotgun  
Don't stop the setting sun on my  
kingdom come ohhhh...  
Is it right to take the easy way  
I don't know, i get on my knees an' pray  
Now i'm saved by a higher voice  
Givin' up, givin' up, givin' up my choice  
If I'm wrong, then i'll pay for it  
If I'm right, yeah you're gonna deal with it  
'Cause i tried, yeah, i tried for it  
I'll try, i'll try, even die for it No i...  
Don't wanna hear what love can do  
No i...  
I can't tell ya what's right for you

I've seen the damage done  
Ohh i... i... i  
Tell you what love can do  
No i... i...i  
Can't say but your time is through  
I've seen the damage done  
Ohh Lord i've heard the shotgun  
I fought the settin sun on my  
kingdom come ohhhh...  
Don't tell me what love can do  
Hey, hey, hey  
Don't tell me what love can do  
Hey, hey, hey  
All right
