

# 1,2,3 Turnaround

## Christian TV

Doo, doo, doo-doo doo-doo I race my feet  
I miss a beat  
Throw my seat  
Don't care, get off my back I make a sound  
I wash down  
Around, so round  
Get off, don't touch my stack Come step outside  
To shoot me high  
'Cause i'm about to crack 1, 2, 3, Turnaround  
Don't you watch me now  
Just turnaround  
Touch your knees, don't look  
Just turnound  
Do it now--don't make me count to 4  
1, 2, 3, Turnaround  
Watch yourself  
Why don't you turnound  
Can't you see  
I don't need you around  
Do it now--walk right through that door Doo, doo, doo-doo doo-doo Who could it--  
Please, don't look at me  
So obviously  
It makes me sweat  
Straight to my head  
I'm turning reddish, someone said  
So i'm upset Come step outside  
To shoot me high  
Oh, before I forget...  
1, 2, 3, Turnaround  
Don't you watch me now  
Just turnaround  
Touch your knees, don't look  
Just turnound  
Do it now--don't make me count to 4 1, 2, 3, Turnaround  
Watch yourself  
Why don't you turnound  
Can't you see  
I don't need you around  
Do it now--walk right through that door Doo, doo, doo-doo doo-doo  
Somebody take this, please Alright, alright, hey, hey, hey, ay ay, ay, ok, ok We're unannounced  
So shut your mouth  
We can do it now

If you make it fast My head is wired  
I'm so damn tired  
I hope that this feeling lasts 1, 2, 3, Turnaround  
Don't you watch me now  
Just turnaround  
Touch your knees, don't look  
Just turnound  
Do it now--don't make me count to 4 1, 2, 3, Turnaround  
Watch yourself  
Why don't you turnound  
Can't you see  
I don't need you around  
Do it now--walk right through that door 1, 2, 3 (Doo, doo, doo-doo doo-doo)  
Don't you watch me (Doo, doo, doo-doo doo-doo)  
Turn around  
Do it now--walk right through that door 1, 2, 3 (Doo, doo, doo-doo doo-doo)  
Come on watch me (Doo, doo, doo-doo doo-doo)  
Hmmmmm do it now  
Walk right through that door
