

# Take Me Out

## Franz Ferdinand

So if you're lonely, you know I'm here waiting for you  
I'm just a cross-hair, I'm just a shot away from you  
And if you leave here, you leave me broken shattered I lie  
I'm just a cross-hair, I'm just a shot then we can die  
I know I won't be leaving here with you I say - don't you know?

You say - you don't know

I say - take me out!

I say - you don't show

Don't move, time is slow

I say - take me out!

Well I say - you don't know

You say - you don't go

I say - take me out!

If I move this could die

Eyes move this can die

I want you to take me out I know I won't be leaving here

I know I won't be leaving here

I know I won't be leaving here

I know I won't be leaving here with you Well I say - you don't know

You say - you don't know

I say - take me out! If I wane this could die

I wait this could die

I want you to take me out

If I move this could die

Eyes move this can die

Come on, take me out

I know I won't be leaving here

I know I won't be leaving here

I know I won't be leaving here

I know I won't be leaving here with you
