

# In This House That I Call Home (Live Version)

X

a hundred lives are shoved inside guests  
arrive to dump their mess obedient  
host and visiting wife come outa  
the bedroom straightening clothes  
in this house that i call home  
nobody knows the party rules  
gotta get in but there's no room  
in this house that i call home  
beautiful walls are closing in  
looking at you you're having  
a nightmare stumble over tombstone  
shoes but it's too soon  
i finally look in your  
sweet eyes and somebody  
comes with a bottle of beer  
after he leaves  
i turn for a kiss and see  
the lady next door she's naked in the street
