

When I Stop Dreaming (feat. Dolly Parton)

[Don Henley](#)

When I stop dreaming
That's when I'll stop loving you Well, the worst that I've ever been hurt in my life
The first time I ever have wanted to die
Was the night when you told me you loved someone new
And you asked me if I could forget When I stop dreaming
That's when I'll stop loving you Now, you may teach the flowers to bloom in the snow
You may take a pebble and teach it to grow
You may teach all the raindrops to return to the sky
But you can't teach my heart to forget When I stop dreaming
That's when I'll stop loving you
When I stop dreaming
That's when I'll stop loving you
When I stop dreaming
That's when I'll stop loving you
