

# When I Stop Dreaming (feat. Dolly Parton)

[Don Henley](#)

When I stop dreaming  
That's when I'll stop loving you Well, the worst that I've ever been hurt in my life  
The first time I ever have wanted to die  
Was the night when you told me you loved someone new  
And you asked me if I could forget When I stop dreaming  
That's when I'll stop loving you Now, you may teach the flowers to bloom in the snow  
You may take a pebble and teach it to grow  
You may teach all the raindrops to return to the sky  
But you can't teach my heart to forget When I stop dreaming  
That's when I'll stop loving you  
When I stop dreaming  
That's when I'll stop loving you  
When I stop dreaming  
That's when I'll stop loving you
