When I Stop Dreaming (feat. Dolly Parton)

Don Henley

When I stop dreaming That's when I'll stop loving youWell, the worst that I've ever been hurt in my life The first time I ever have wanted to die Was the night when you told me you loved someone new And you asked me if I could forgetWhen I stop dreaming That's when I'll stop loving youNow, you may teach the flowers to bloom in the snow You may take a pebble and teach it to grow You may teach all the raindrops to return to the sky But you can't teach my heart to forgetWhen I stop dreaming That's when I'll stop loving you When I stop dreaming That's when I'll stop loving you When I stop dreaming That's when I'll stop loving you When I stop dreaming That's when I'll stop loving you
