Don't Touch [The Zoom Song]

Ashley Tisdale

Zoom zoom zoom zoom zoom zoom in, under my skin Gotta slow down now to begin Baby don't rush You can look but don't touchYou think you know When you see me in my videos How the story goes But that's just the side that I expose Look through the lens You see my body, not who I am So don't pretend And try to act like you're my boyfriendYou wanna get somewhere Then boy, don't touch me there Just get up close and personal, personal Zoom zoom in, under my skin Gotta slow down now to begin Baby don't rush You can look but don't touch Zoom zoom in, to my head Gotta know me to be my man Boy prove you're in love You can look but don't touchZoom zoom zoomYou won't behave You're gettin' all up in my space Better know your name You're tryin' to score but it's not a game Boy, get a clue Yeah you gotta spend the time, pay your dues Followin' the rules If you want me to want to be with you You wanna get somewhere Then boy, don't touch me there Just get up close and personal, personalZoom zoom in, under my skin Gotta slow down now to begin Baby don't rush You can look but don't touch Zoom zoom in, to my head Gotta know me to be my man Boy prove you're in love You can look but don't touch Don't touchZoom zoom in, under my skin Gotta slow down now to begin Baby don't rush You can look but don't touch (touch)

Zoom zoom in, to my head Gotta know me to be my man Boy prove you're in love You can look but don't touch Don't touchDon't you dare touch me there If you want to get somewhereZoom in, get to know me Boy don't rush Baby don't rush You can look but don't touch Zoom zoom in, to my head Gotta know me to be my man Boy prove you're in love You can look but don't touch Don't touchZoom zoom in, under my skin (no no) Gotta slow down now to begin Baby don't rush You can look but don't touch Zoom zoom in, to my head Gotta know me to be my man (no) Boy prove you're in love You can look but don't touch, no noZoom zoom Song Discussions is protected by U.S. Patent 9401941.
