

Little Fat Baby

Sparklehorse

did you save your wisdom teeth?
did you burn your christmas tree?he got dragged by a donkey
through the dirt and the myrtle
but he was once a little fat babydid you lose your fatty in the bath?
did you make the city slickers laugh?he got dragged by a donkey
through the glass and the myrtle
but he was once a little fat babydid you burn your wisdom teeth?
did you save your christmas tree?
he got dragged by a donkey
through the switches and the myrtle
but he was once a little fat baby
