

Girls Talk Boys

5 Seconds of Summer

When the girls, when the girls talk
When the girls talk boys
Oh, when the girls, when the girls talk
When the girls talk boys
Hey! When you're talking to your girls
Do you talk about me?
Do you say that I'm a sweetheart?
Do you say that I'm a freak?
Do you tell them white lies?
Do you tell 'em the truth?
Do you tell 'em that you love me
The way I've been lovin' you? Cause every night you and I find ourselves
Kissing and touching like no one else
Falling and falling until I fell
For you
'Cause I've been talking to my friends
The way you take away my breath
It's something bigger than myself
It's something I don't understand
No, no
I know we're young and people change
And we may never feel the same
So baby tell me what you say... When the girls, when the girls talk (Oh)
When the girls talk boys
(I can hear 'em talking)
(Oh, when the girls)
(When the girls)
When the girls talk
When the girls talk boys
Hey!
When you're talking to your girls
Do you talk about me?
Do you tell I'm your lover?
That I'm all that you need?
Do you tell 'em white lies?
Do you tell 'em the truth?
Do you tell 'em that you love me
The way that I've been loving you? Cause every night you and I find ourselves
Kissing and touching like no one else
Falling and falling until I fell
For you Cause I've been talking to my friends
The way you take away my breath

It's something bigger than myself
It's something I don't understand
No, no
I know we're young and people change
And we may never feel the same
So baby tell me what you say...When the girls, when the girls talk
When the girls talk boys
(I can hear 'em talking)
Oh, when the girls, when the girls talk
When the girls talk boys
(When the girls talk boys)
(Talk talk talk talk)
When the girls
(Talk talk talk talk)
When the girls talk boys
Hey!
