

My Number One

Dream Evil

You're my lover
undercover
Your my sacred passion & I have no other You're delicious
So capricious
If I find out you don't want me I'll be vicious Say you love me
and you'll have me
In your arms forever and I won't forget it
Say you miss me
Come and kiss me
Take me up to heaven and you won't regret it
You are the one
You're my number one
The only treasure I'll ever have
You are the one
You're my number one
Anything for you 'cause you're the one I love You're my lover
undercover
Your my sacred passion & I have no other You're a fire
and desire
When I kiss your lips, you know, you take me higher You're addiction
my conviction
You're my passion, my relief, my crucifixion Never leave me
And believe me
You will be the sun into my raining season Never leave me
And believe me
In my empty life you'll be the only reason You are the one
You're my number one
The only treasure I'll ever have
You are the one
You're my number one
Anything for you 'cause you're the one I love You're my lover
undercover
Your my sacred passion & I have no other You are the one
You're my number one
The only treasure I'll ever have
You are the one
You're my number one
Anything for you 'cause you're the one I love You're my lover
undercover
Your my sacred passion & I have no other
