## A LIGHT THAT NEVER COMES (Vicetone Remix Dub)

## LINKIN PARK & Steve Aoki

Nah, you don't know me Lightning above and a fire below me You can not catch me, can not hold me You can not stop, much less control meWhen it rains, it pours When the floodgates open, brace your shores That pressure don't care when it breaks your doors Say it's all you can take, better take some more'Cause I know what its like to test fate Had my shoulders pressed with that weight Stood up strong in spite of that hateThe night gets darkest right before dawn What don't kill you makes you more strong And I've been waiting for it so long The nights go on Waiting for a light that never comes I chase the sun Waiting for a light that never comesOh... Oh... Oh... Waiting for a light that never comesWhen I was young, they told me, they said Make your bed, you lie in that bed A King can only rein 'till instead There comes that day, it's off with his headThe night gets darkest right before dawn What don't kill you makes you more strong You'll have my mercy, then when you're goneThe nights go on Waiting for a light that never comes I chase the sun Waiting for a light that never comes Oh... Oh... Oh... Waiting for a light that never comesAnd I told them; nah you don't know me Lightning above and a fire below me You can not catch me, can not hold me You can not stop, much less control meWhen it rains, it pours When the floodgates open, brace your shores That pressure don't care, it breaks your doors Say it's all you can take, better take some more Oh... Oh... Oh... Waiting for a light that never comes! The nights go on Waiting for a light that never comes I chase the sun Waiting for a light that never comes Oh... Oh... Oh...
