

Dirty Work

Austin Mahone

Rolling my sleeves up to here
To make you smile ear to ear
Girl I been hitting that
Hitting that graveyard shift
You won't find another one built for this
Dirty work, ooh
Dirty work
Baby I don't need your help
I'd do it all by myself
Girl I been putting in, putting in over time You ain't gotta tell me what's on your mind
Dirty work, ooh
Dirty work
Cause when you do what you love
You're gonna love what you do
You know I do it with love Each night I do it for you
It's the dirty work
Somebodies gotta do it
Dirty work
So we're getting into it
Dirty work
Go and get your body moving
You know it ain't no nine to five We're going sundown to sunrise
Dirty work Dirty work I'm filthy down to the core
Leave all your stress at the door
You know you need to stop scrubbing with Mr. Clean Bring it right here, come next to me
Dirty work, ooh
Dirty work
Cause when you do what you love
You're gonna love what you do
You know I do it with love Each night I do it for you
It's the dirty work
Somebodies gotta do it
Dirty work
So we're getting into it
Dirty work
Go and get your body moving
You know it ain't no nine to five
We're going sundown to sunrise
Dirty work
Dirty work
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na

Dirty work

Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na

Dirty work

Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Cause when you do what you love

You're gonna love what you do

You know I do it with love

Every time I'm with you

It's the dirty work

Somebodies gotta do it

Dirty work

So we're getting into it

Dirty work

Go and get your body moving

You know it ain't no nine to five

We're going sundown to sunrise

Dirty work
