

# Life Is a Lemon and I Want My Money Back

## Meat Loaf

I want my money back  
I want my money back It's all or nothing  
And nothing's all I ever get  
Every time I turn it on  
I burn it up and burn it out It's always something  
There's always something going wrong  
That's the only guarantee  
That's what this is all about It's a never ending attack  
Everything's a lie and that's a fact  
Life is a lemon  
And I want my money back  
And all the morons  
And all the stooges with their coins  
They're the ones who make the rules  
It's not a game it's just a rout There's desperation  
There's desperation in the air  
It leaves a stain on all your clothes  
And no detergent gets it out And we're always slipping through the cracks  
Then the movie's over, fade to black  
Life is a lemon  
And I want my money back I want my money back  
I want my money back What about love  
It's defective  
It's always breaking in half  
What about sex  
It's defective  
It's never built to really last What about your family  
It's defective  
All the batteries are shot What about your friends  
They're defective  
All the parts are out of stock What about hope  
It's defective  
It's corroded and decayed What about faith  
It's defective  
It's tattered and it's frayed What about your gods  
They're defective  
They forgot the warranty What about your town  
It's defective  
It's a dead-end street to me What about your school  
It's defective  
It's a pack of useless lies What about your work  
It's defective

It's a crock and then you die What about your childhood  
It's defective  
It's dead and buried in the past What about your future  
It's defective  
And you can shove it up your ass Oh, I want my money back  
(Life is a lemon)  
I want my money back  
(Life is a lemon, life is a lemon)  
It's all or nothing  
And nothing's all I ever get  
Every time I turn it on  
I burn it up and burn it out  
It's a never ending attack  
Everything's a lie and that's a fact  
Life is a lemon  
And I want my money back  
And we're always slipping through the cracks  
Then the movie's over, fade to black  
Life is a lemon  
And I want my money back  
I want my money back  
Back, back, back, back  
I want my money back  
I want my money back  
(Life is a lemon)
