

# Virginia Boy

Aaron Cole

Virginia High School  
I was born and raised  
Boys and & girls Club  
We was hooping everyday  
I can't let my people down  
Tryna' put on my town  
Dreams don't come without resistance  
So I'm looking up to higher visions All they ever said was we would be what they said  
You Said differently  
And all they ever said was we would be just like them  
You said differently  
Gotta keep me eyes on You  
Keep my eyes on you  
Virginia Boy Keep my Roots  
Keep my eyes on you  
Can't believe we made it this far  
18 record deal no car  
They all saying that I'm lucky too raceive it  
When I'm looking at my scars I kind of see it  
My family got my back  
I hope I pay 'em back  
don't wanna mess it up can I tell the truth  
We can't get a house cause  
I'm always in the booth  
Gotta keep me eyes on You  
Keep my eyes on you  
Virginia Boy Keep my Roots  
Keep my eyes on you  
All they ever said was we would be what they said  
You said differently  
All they ever said was we would be what they said  
You said differently  
Gotta keep me eyes on You  
Keep my eyes on you  
Virginia Boy Keep my Roots  
Keep my eyes on you  
Gotta keep me eyes on You  
Keep my eyes on you  
Virginia Boy Keep my Roots  
Keep my eyes on you
