Better Love

Foxes

Show me love (better love) Show me love (better love)I cried myself to sleep again You lie right there, but I've learned nothing I do my best to ease your pain And here we are, but we've learned nothingAnd it's killing me When I'm in your arms I forget the darker days And it's haunting me These feet of mine Won't let me march awayDon't ask me how But I always thought that we could have a better love When you lay me down I forget that all I want is a better love Show me a better love Show me a better, better love Show me a better love Show me a better, better loveI hurt myself again today You lie right there and you say nothing I do my best to leave this pain But here we are and we've learned nothingAnd it's killing me When I'm in your arms I forget the darker days And it's haunting me These feet of mine Won't let me march awayDon't ask me how But I always thought that we could have a better love When you lay me down I forget that all I want is a better love Show me a better love Show me a better, better love Show me a better love Show me a better, better loveShow me love (better love) Show me love (better love)And it's killing me When I'm in your arms I forget the darker days And it's haunting me These feet of mine Won't let me march awayShow me a better love A better love Better, better love Show me a better love A better

Better, a better love Show me a better love Show me a better, better love Show me a better love Show me a better, better love Show me love (better love)
