It's Time

Imagine Dragons

So this is what you meant?

When you said that you were spent?

And now it's time to build from the bottom of the pit

Right to the top

Don't hold back

Packing my bags and giving the academy a rain-checkI don't ever want to let you down

I don't ever want to leave this town

'Cause after all

This city never sleeps at nightIt's time to begin, isn't it?

I get a little bit bigger, but then, I'll admit

I'm just the same as I was

Now don't you understand

That I'm never changing who I am

So this is where you fell

And I am left to sell

The path to heaven runs through miles of clouded hell

Right to the top

Don't look back

Turning to rags and giving the commodities a rain-checkI don't ever want to let you down

I don't ever want to leave this town

'Cause after all

This city never sleeps at nightIt's time to begin, isn't it?

I get a little bit bigger, but then, I'll admit

I'm just the same as I was

Now don't you understand

That I'm never changing who I am

It's time to begin, isn't it?

I get a little bit bigger but then I'll admit

I'm just the same as I was

Now don't you understand

That I'm never changing who I amThis road never looked so lonely

This house doesn't burn down slowly

To ashes, to ashesIt's time to begin, isn't it?

I get a little bit bigger but then I'll admit

I'm just the same as I was

Now don't you understand

That I'm never changing who I amIt's time to begin, isn't it?

I get a little bit bigger but then I'll admit

I'm just the same as I was

Don't you understand

That I'm never changing who I am
