

Rock, rock, rock, rock, rock the house  
Rock, rock, rock, rock, rock the house  
Rock, rock, rock, rock, rock the house  
Rock, rock, rock, rock, rock the house  
Rock, rock, rock, rock, rock the house  
Rock, rock, rock, rock, rock the house We came here to party (rock!)  
We didn't come here to fight  
I said: "Grab ourselves a bottle"  
A toast to the good life
