You Learn (2015 Remastered)

Alanis Morissette

Oooh, Oooh... Oooh, Oooh-oooh ooo-oooh!
I recommend getting your heart trampled on to anyone
Yeah...

Oh, I recommend walking around naked in your living room... yeah Swallow it down (what a jagged little pill)

It feels so good (swimming in your stomach) Wait until the dust settles

You live you learn

You love you learn

You cry you learn

You lose you learn

You bleed you learn

You scream you learn...

I recommend biting off more then you can chew to anyone

I certainly do - ooh

I recommend sticking your foot in your mouth at any timeFeel free Throw it down (the caution blocks you from the wind)

Hold it up (to the rays)

You wait and see when the smoke clears You live you learn

You love you learn

You cry you learnYou lose you learn

You bleed you learn

You scream you learn

Wear it out (the way a three-year-old would do)

Melt it down (you're gonna have to eventually anyway)

The fire trucks are coming up around the bend

You live you learn

You love you learn

You cry you learn

You lose you learn

You bleed you learn

You scream you learn

You grieve you learn

You choke you learn

You laugh you learn

You choose you learn

You pray you learn

You ask you learn

You live you learn
