

Hypnotized

JMSN

Thank you
Oh no, no, no, no In the beginning it's new and exciting
Brand new, so brand new
And you can feel it like thunder and lightning
Thunder and lightning
See, it's all about the moments and timing
Moments and timing
It's living at the same time it's dying
Yeah, yeah I can make believe it's fate
I can make believe yeah
But let's just call a spade a spade
Let's just call a spade a spade
I'm just hypnotized
No, I'll never be satisfied
Maybe I don't really know what I want yet
Who does, who does? Who does?
But I'm hoping I know when I find it
That's what's up, that's what's up, that's what's up
Cause the days get to twisting and winding
Things get to twisting and winding
And we ride till the gears get to grinding I can make believe it's fate
I can make believe yeah
But let's just call a spade a spade
Let's just call a spade a spade
I'm just hypnotized
I'm just hypnotized
I'm just hypnotized
I'm just hypnotized
I'm just hypno-hypnotized
Baby, hypnotized, hypnotized
Oh, I'm hypnotized
I'll never be satisfied
Baby, oh, I, I'm just hypnotized
Oh-ah-ah-ah
Ah-ah-ah-ah-ah-ah
I'm just hypnotized
Hypnotized
Baby, know that I'm hypnotized
No that I ain't gon lie
I'm just, I'm just hypnotized
Hypnotized, hypnotized
Just hypnotized

I, I, I, I'm just hypnotized
Hypnotized, woah-woah
I, I, I'm just hypnotized
Hypnotized, yeah
