## Party Up (feat. Colt Ford)

## **Chase Rice**

We gonna melt some ice We gonna roll the dice We gonna slip and slide into paradise We gonna grind some gears We gonna ring some ears We gonna drink some beers 'Til they disappearTurn the party up Drink the good times down Little buzz in a cup Will hit ya get ya space bound Sip a little whiskey come on baby kiss me Let me get a drip of your frisky gypsy And when ya hit ten bump it to eleven Tonight we gonna fly with them 747's Get highhhhhhhhh hiiggghhhhh Gonna kill another 6 pack just to watch it die Turn the party up up up Turn the party up up upHey pretty girl tell me what you think This country boy pour you a drink Crank this party up and let's ride Miles of moonlight by my side Old dirt roads go straight to heaven Forget tomorrow tonight were living Crank this party up to eleven Forget tomorrow tonight we Turn the party up Drink the good times down Little buzz in a cup Will hit ya get ya space bound Sip a little whiskey come on baby kiss me Let me get a drip of your frisky gypsy And when va hit ten bump it to eleven Tonight we gonna fly with them 747's Get highhhhhhhhh hiiggghhhhhh Gonna kill another 6 pack just to watch it die Turn the party up up up Turn the party up up up Song Discussions is protected by U.S. Patent 9401941.
