## **Chasing Cars**

## **Sleeping At Last**

We'll do it all Everything

On our ownWe don't need

Anything

Or anyoneIf I lay here

If I just lay here

Would you lie with me

And just forget the world? I don't quite know

How to say

How I feel

Those three words

Are said too much

They're not enoughIf I lay here

If I just lay here

Would you lie with me

And just forget the world? Forget what we're told

Before we get too old

Show me a garden

That's bursting into lifeLet's waste time

Chasing cars

Around our headsIf I lay here

If I just lay here

Would you lie with me

And just forget the world?

Forget what we're told

Before we get too old

Show me a garden

That's bursting into lifeAll that I am

All that I ever was

Is here in your perfect eyes

They're all I can seeI don't know where

Confused about how as well

Just know that these things

Will never change for us at allIf I lay here

If I just lay here

Would you lie with me

And just forget the world?
