

You Can't Lose a Broken Heart

Tony Bennett & k.d. lang

Don't lose your head
Then lose your guy
You can't lose a broken heart
If you ever break up
Then try to make up
It's tough to make a brand new start
Take a walk
Think it over
While strolling neath the moon
Don't say things in December
You'll regret in June
Ware your remark
Before you speak
Don't be erratic
Be diplomatic
To keep your heart's in tune
Cruel harsh words
Often spoken
Will upset your applecart
So don't lose your head
Then lose your guy
Cos, you can't lose a broken heart
No, you can't lose a broken heart
