

As Long as You Love Me

Sleeping At Last

Loneliness has always been a friend of mine
I'm leavin' my life in your hands
People say I'm crazy and that I am blind
Risking it all in a glance And how you got me blind is still a mystery I can't get you out of my
head

As long as you're here with me

I don't care who you are

Where you're from

What you did

As long as you love me

Who you are

Where you're from what you did

As long as you love me

Every little thing that you have said and done

Feels like it's deep within me

Doesn't really matter if you're on the run

It seems like we're meant to be

I don't care who you are

Where you're from What you did

As long as you love me

Who you are

Where you're from what you did As long as you love me

I've tried to hide it so that no one knows

But I guess it shows

When you look into my eyes

What you did and where you're coming from

Well I don't care, as long as you love me as long as you love me I don't care who you are

Where you're from

What you did

As long as you love me

Who you are

Where you're from

what you did

As long as you love me

As long as you love me

As long as you love me
