

# Unbelievers

## Vampire Weekend

Got a little soul  
The world is a cold, cold place to be.  
Want a little warmth  
But, who's going to save a little warmth for me? We know the fire awaits unbelievers  
All of the sinners the same.  
Girl, you and I will die unbelievers  
Bound to the tracks of the train. If I'm born again, I know that the world will disagree.  
Want a little grace, but who's going to say a little grace for me? We know the fire awaits  
unbelievers  
All of the sinners the same.  
Girl, you and I will die unbelievers  
Bound to the tracks of the train.  
I'm not excited  
But should I be?  
Is this the fate that half of the world has planned for me?  
I know I love you!  
And you love the sea!  
What holy water contains a little drop, little drop for me?  
...See the sun go down?  
It's going on down  
And the night is deep. Want a little light, but who's going to save a little light for me?  
We know the fire awaits unbelievers  
All of the sinners the same. Girl, you and I will die unbelievers  
Bound to the tracks of the train.  
I'm not excited  
But should I be?  
Is this the fate that half the world has planned for me?  
I know I love you!  
And you love the sea!  
But what holy water contains a little drop, little drop for me?  
...I'm not excited  
But should I be?  
Is this the fate that half of the world has planned for me?  
I know I love you!  
And you love the sea!  
But what holy water contains a little drop, little drop for me?
