Yes that's Boris! All that you've seen

Is me drowning in ink

But you can't assume

I'm deceased Strapped to the table

You pulled out that wrench

From my chest

Crucified by a thief

Do what I can

Kicking a can

You cannot bend me

Bendy Give you a hand

Call me your friend

You cannot bend me

Bendy B. Believe in me

O. An oddity

R.

I.

S. BORIS!

B. Bendy is near

O. Get out of here

R.

I.

S. BORIS! All of the evil

Is flowing within

And it's creeping along

Is it under your skin?

Holdin' you down

Chokin' you out Howl like a wolf

While you sharpen your knife

The air getting cold

Bendy's here for your life

Holdin' you down

Chokin' you out Do what I can

Kicking a can

You cannot bend me

Bendy Give you a hand

Call me your friend

You cannot bend me
