Fools

Madison Beer

[Verse 1]

There you go

Getting so overly comfortable, baby

Does it ever cross your mind?

Like oh no, she wants to be in somebody else's photos

On the low-low[Pre-Chorus]

You don't know what I'm thinking, you don't even try Whatever you've been drinking has got you out of your mind like I know you've been hurting, and I know I'm the reason why

[Chorus]

Don't you know, baby?

Only fools stick around when the love is gone

Don't you know, baby?

Only fools stick around when the love is all gone

Don't you know, baby?

Hey, I just fool around

Babe, such a fool for me

(Fool for me)

'Cause only fools stick around

When the love is all gone[Verse 2]

You walk a hundred miles

And wait a while for somebody

Who don't even smile

Does it ever cross your mind?

Like oh Lord

She don't want to dance with the same man, no more

Are you so sure?

[Pre-Chorus]

You don't know what I'm thinking, you don't even try Whatever you've been drinking has got you out of your mind like I know you've been hurting, and I know I'm the reason why[Chorus]

Don't you know, baby?

Only fools stick around when the love is gone

Don't you know, baby?

Only fools stick around when the love is all gone

Don't you know, baby?

Hey, I just fool around

Babe, such a fool for me

(Fool for me)

'Cause only fools stick around

When the love is all gone[Bridge]

There you go

Getting so overly comfortable, baby

Does it ever cross your mind?

Like oh no, she wants to be in somebody else's photos

On the low-low

There you go

Getting so overly comfortable, baby

Does it ever cross your mind?

Like oh no, she wants to be in somebody else's photos

On the low-low[Chorus]

Don't you know, baby?

Only fools stick around

Don't you know, baby?

Only fools stick around when the love is all gone

Don't you know, baby?

Only fools stick around when the love is gone

Don't you know, baby?

Only fools stick around when the love is all gone

Don't you know, baby?

Hey, I just fool around

Babe, such a fool for me

(Fool for me)

'Cause only fools stick around

When the love is all gone

Don't you get that baby?
